1. Introduction

Our Supermarket Price Comparison Website is designed to simplify your shopping experience by providing a comprehensive platform to compare prices across multiple supermarkets. With this website, you can quickly find the best deals on your favorite products without the hassle of visiting each store individually.

2. Searching for Products

To search for a specific product, use the search bar located at the top of the website. Enter the name or keywords related to the product you want to find and click the search icon or press Enter. The search results will display relevant products from different supermarkets.

3. Comparing Prices

To compare prices of a particular product across different supermarkets, follow these steps:

1. Search for the desired product using the search bar or browsing.
2. From the search results, click on the product that matches your search.
3. A comparison table will appear, displaying the prices of the selected product from various supermarkets.
4. Review the prices and identify the best deal based on your preferences.

4. Search supermarkets near you

You can select between three zones (Helsinki, Vantaa and Espoo) and the supermarkets in those regions will appear so you can choose where to go shopping.

1. Open the home page.
2. Scroll to the bottom of the page.
3. Select between the three city options
4. The map will show the supermarkets in that region.

5. Providing Feedback

We value your feedback and suggestions to improve our website. If you have any feedback or encounter any issues while using our Supermarket Price Comparison Website, please use the following email supermarketcomparator@gmail.com or call +358 54 1587469.
